

## Variable Term Agreement (VTA) Job Aid for West Virginia *(WV properties previously owned by Verizon)*

The purpose of this document is to assist with the successful population of the Variable Term Agreement (VTA) field on the Access Ordering Service Request (ASR).

The VTA Field allows the customer to provide Frontier with the length of a billing contract for a specific service.

Outlined below is a complete set of valid entries for the VTA field. Using the correct entry can reduce potential errors on the ASR and result in the accurate charge appearing on your bill.

If you have any questions, on your current VTA, please contact your Frontier Account Manager.
